## About Me

I am a driven and enthusiastic person dedicated to using advocacy and leadership to make a significant difference. Acquiring a masters degree from Shahjalal University of Science and Technology (SUST) in Political Studies

.My leadership, collaboration and project management abilities have been refined by my roles as President of the Tahirpur Association,SUST (TA) and Executive Member of SONCHALON. I have effectively coordinated community development initiatives, awareness campaigns, and volunteer work that uplift marginalized communities and encourage civic participation.I also actively volunteer for groups such as VSO.

In every position I hold, I'm committed to working together, being inclusive, and building a future where environmental sustainability and social justice coexist. Let's get in touch and collaborate to promote meaningful change!

## WORK EXPERIENCE

- President at Tahirpur Association, SUST
- Executive Member at Sonchalon.
- Internship Trainee on BRAC
- Volunteering With VSO.
